This is a contest that honors Tom Carroll's memory. The contest will benefit not only the winners, but in turn, help the less fortunate in our community. Tom Carroll (1945-2008) was a competitor in the Special Foods Contest for many years. He loved to eat, loved to cook, loved people, and love friendly competition (especially when he won against Judy Carroll, his beloved wife). This contest is about more than just winning or money, it's about honoring a special man with a special contest. If you ever met Tom, you'd never forget him. Let's make this contest an unforgettable one, hopefully making a difference in someone else's life.
