RULES, REGULATIONS AND INFORMATION

1. Entries close and must be postmarked by midnight, **September 1**. Entry blanks are in back of Fair Catalog that must be brought or mailed to Dixie Classic Fair, P. O. Box 68, Winston-Salem, NC 27102. Exhibitor's last four (4) digits of Social Security Number **MUST** be listed on entry blank to receive any premium monies.
2. Competition is open to **AMATEURS ONLY**. No professionals, please!
3. Exhibitors may submit only ONE entry for each category.
4. **No frames, no glass, no mats - 8" x 10" photos only (except Digital Manipulation). Must be securely mounted on 11" x 14" black or white foam core with a thickness of 1/8" or 3/16" (available at frame shops). No white border allowed around photo except the foam core. DO NOT ADD EMBELLISHMENTS OR TITLES.** Only Glossy or Matte Finished Photo prints. NO METALLIC OR PEARL FINISHES.
5. **Attach entry tag entry tag string with tape to the back of the foam core. TAG MUST HANG IN THE UPPER RIGHT HAND CORNER - FRONT SIDE.** Do not remove claim check.
6. No altering of photo with Photo Editing software.
7. Photo must be the bona fide property of the exhibitor and must have been made by the exhibitor. Do not enter photos that have been entered in previous Fairs. Photos deemed to be in poor taste will not be accepted, and the decision of the Fair shall be final. **Duplicates of photos entered in Amateur Adult Photography cannot be entered in any other department or category of the Fair.**
8. Ribbons and premiums will be determined by Judges according to the quality of the photos and compliance with rules and regulations. All rules and regulations must be followed or entry will not be judged.
9. Entries will be acknowledged by letter from Fair Office after Sept. 1. Entry tags will be included with letter.
10. Fair is not responsible for damage to photos or foam core and for items not picked up on designated release day.

Judging Criteria

1. Composition - Everything in the picture should be logically and pleasantly arranged to draw attention to the "center of interest"
 2. Photographic Quality - Contrast in the finished print should be such that the "center of interest" is clear, sharp and easily visible. Tone and contrast should be consistent with mood of picture
 3. Presentational Faults - Photos of correct size (8x10) mounted on a (11x14) black, white, or off white foam core board.

Category Description Definitions

People - photos of people in their natural surroundings

Landscape - a genre intended to show different spaces within the world

Animal - photos capturing mammals, birds, reptiles, amphibians, and marine life

Nature - Photos taken outdoors and devoted to displaying natural elements such as landscape, wildlife, and plants

Advertising - photos that sell not only products but lifestyles, concepts and ideas. A photograph that is used to help sell, advertise or market a product, service, person or persons

Emotion - Photos that capture raw emotion, a natural instinctive state of mind deriving from one's circumstance, mood, or relationships with others, such as happiness, pride, calmness, sadness, or anger.

Automotive - photos of automobiles, car, trucks, trains, airplanes, and motorcycles

Texture - Photos that show texture, include the feel, appearance, or consistency of a surface or a substance. The detail in the surface of the object being photographed is the most important feature in the image.

Other - any photo that does not fall in the categories above
