Welcome Friends of the Dixie Classic Fair!

The 2018 Dixie Classic Fair, by all indications, is once again going to be a great event! More and more people come out every year, and have a terrific time! The theme this year is "Beacon for Fun."

Whether you are interested in exhibiting or examining animals, produce, crafts and/or baked goods, you'll find no better showcase in Northwest North Carolina. We also have food, great games and rides along the Midway to enjoy!

Winston-Salem appreciates your support of our 136th Dixie Classic Fair, running September 28th through October 7th, 2018. Come on out and enjoy all the exciting Fair activities!

Best regards,

J. Allen Joines
